

*Of the council of the laudable City of Zürich, at the time Governor of the county of Widdenswil own most secret seal and highly regarding our most gracious gentlemen of the City of Zürich.
Affirmed publicly with three seals 26th July 1682.*

Written in another hand:

On the 30th July 1682 Jacob Bachmann, from Richterswil in the county of Widdenswil, has received from Rudi Vogel Sch..... From Kölliken on behalf of Ulli Graffen the following..... 80 Gulden including interest which came to Ulli Graffen from his brother-in-law, Heinrich Bachmann, the son of the aforementioned Jacob Bachmann, including the 4 Thaler that Jacob Bachmann had already received. Witnesses of this transaction are the honest and modest Jacob Suther, Kily Meyer, Ulli Suther of Danielen of Kslliken ?? and Hans Muller from Entfelden. For which sum he, Jacob Bachmann, confirms receipt to Rudolff Vogel and Ulli Graffen and acquits them in the presence of the abovementioned witnesses.*Note: Gulden is the historic German and Dutch term for a gold coin. The Thaler was a silver coin used throughout Europe from around 1490.*
